REF: Your File 582-703 Ecuador
Smoking Product and Method
Philip Morris Incorporated
Patent No. 126

Dear Sirs:

We refer to your letter dated June 30, 1975.

Since the above mentioned patent has not been worked in Ecuador or anywhere and due to the very strict position by our Patent Office on working evidences, we think that this patent is going to lapse, unfortunately.

Truly yours,

ANDRADE & PEÑAHERRERA

Luis A. Andrade
